

Navigating Medicare & Medicaid

Support to help you every step of the way

Where are you on your Caregiving Journey?

Evaluating Medicare options A, B, C, or D

Determining whether a spouse qualifies

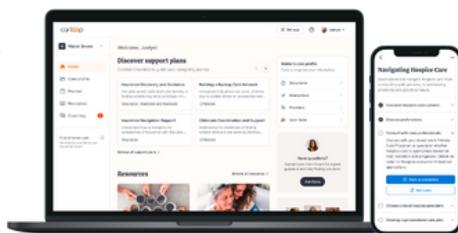

Understanding out-of-pocket expenses

Find support through your unified digital platform

1:1 Coaching: Our expert Care Coaches support families at every step - from finding childcare to supporting an aging parent. They find and vet solutions, offering hands-on support to alleviate your stress and anxiety.

Digital Resources: Find digital tools to help plan and manage your caregiving responsibilities and access on-demand, specialized content written by our credentialed experts.

“I was completely lost trying to figure out Medicare, but Cariloop made it all so much clearer. My Care Coach listened to our concerns, answered our endless questions with patience, and made sure we felt supported every step of the way. We now feel secure in our decisions.”

Solutions that save you time & relieve stress

Understand Medicare enrollment

- Learn about Parts A, B, C, and D
- Understand eligibility and benefits
- Guidance on enrollment periods and avoiding penalties

Navigating Medicare

- Find information on covered services and out-of-pocket costs
- Help with coordinating with employer insurance, benefits, and Social Security impacts
- Understand premiums, deductibles, and cost management strategies
- Learn about Medicare Part D plans and prescription drug coverage

Understand Medicaid enrollment

- Help with understanding and selecting Medicaid managed care options
- Support with applying for Medicaid and navigating the process

Navigating Medicaid

- Understand the services covered with Medicaid, such as doctor visits, hospital stays, and long-term care
- Guidance on accessing long-term care services, such as in-home support
- Assistance with appealing denied services or filing grievances
- Learn about special programs

21 hrs
Time Saved
