Digital Resources: Find digital tools to help plan and manage your caregiving responsibilities and access on-demand, specialized content written by our credentialed experts.

Dedicated 1 : 1 Care Coaching

Personalized Digital Tools & Resources

“Cariloop helped me plan childcare for my twins. It was hard when I decided to switch from in-home care to daycare. My family was going through a rough time and researching and interviewing daycare centers felt overwhelming. Cariloop helped me quickly find a good option that matched my criteria.”

Solutions that save you time & relieve stress

Nannies, babysitters & au pairs

- Connecting with reputable childcare professionals
- Guidance on interviews, background checks and contracts
- Understanding employment laws and tax implications

Daycare centers & in-home daycare

- Understanding the differences and choosing a facility
- Reviewing licensing, accreditation and staff qualifications
- Understanding curriculum and child-to-staff ratios

Financial planning & backup options

- Understanding financial considerations
- Exploring tax benefits and subsidies
- Providing tools and tips to track expenses
- Developing a backup plan

Community resources

- Understanding co-op care and local programs
- Connecting to play groups and parent support groups
- Finding summer camps and community activities
